## **Kerredge Gallery: In the Cocoon and Dreaming** **Still and Animated Art by Hancock artist, Bridget Riversmith**

Bridget Riversmith paints fluid transparent narratives featuring endearing animal life in human and fantastic situations. She explores the creative process in a variety of mediums including gouache paintings, digital animation, and art machine inventions from recycled appliances and found objects. She knows that if what she makes tells a good story, makes people laugh, or go "ooh," she tends to sleep better at night. Come see her "Recycloscope Theater" and join us in welcoming Bridget at her reception on Friday, November 10 from 6 to 8pm.

## **So Many Nice Ways to Support**

### **Best Hat Ever Boat Cruise**

October was a very busy month at the CCCAC. Our 3rd annual Best Hat Ever Boat Cruise on the Isle Royale Queen IV raised over \$1600. Many thanks to the Isle Royale Line and Kilpela family for their continued generosity. We gave art prizes for best hats in five categories. It was an absolutely gorgeous evening on the canal with wonderful people! What fun!

### **Auction Party & 25 Year Celebration**

Many thanks to the countless individuals, volunteers, businesses, and organizations that made our Auction Party & 25 Year Celebration a big success! The CCCAC was packed with art lovers of all ages. Auctions, artist demonstrations, wonderful food, a running photo slideshow, prizes, music, and great people! We raised over \$3400 for the evening. Thank you all for coming out and supporting our event!
