

ABOUT OUR COORDINATOR

Hannah Smith is a recent graduate of Finlandia University, with a B.F.A in Fine Arts, and a concentration in Fiber and Fashion Design. Miss Hannah started her art experience by drawing people at the age of 5 years old. Her love grew as she started taking art classes in her youth, and from what she learned, she drew whatever she could. Since then, she has cultivated her love of all things artistic in the many years following!
